ACADEMY FOR DENTAL ASSISTANTS

A Certification for this course will be given on your ability to understand and perform **ALL** the expanded functions procedures clinically listed above **WITHOUT instruction**. We are certifying that you have been trained and can perform the procedures. The student must also receive a grade of 75% or better on the Online Written State Board Exam (Part 1) before attending Part 2 of the Course, the Clinical Hands-On Portion, given at our facility on the date selected at Registration. **A 7-day notice must be given IN WRITING (Email) to switch the class date for Part 2 or a \$100 transfer fee is required.** The Refund and Cancellation Policy can be found in the Introduction Section of the course on our website.

4995 49TH STREET N., ST. PETERSBURG, FL 33709 * PHONE: (727) 914-0599 *
